

2009 TFM Elections

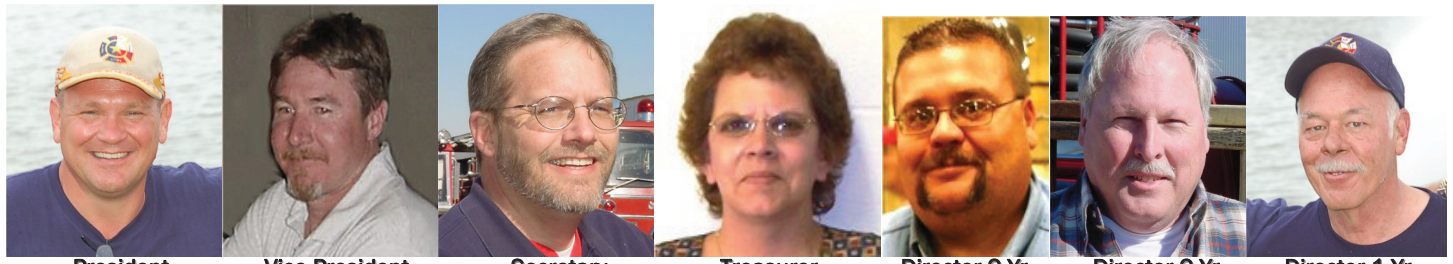

On January 21, 2009, Texas Fire Museum conducted our Annual Meeting and election of board members. The new Board of Directors for 2009 is President Scott Simpson, Vice President David Miller, Secretary Lindsay Dye, Treasurer Susan Miller, Director Bill Maddox, Director Gary Brown and carryover Director Butch Plumb. Our new board members will be the ones to guide the organization for the coming year, and they are now poised to face the additional opportunities and challenges within our growing organization.

On August 26-29, 2009, our organization has been invited to display our restoration accomplishments and several antique fire engines during the IAFC convention. Our board and members will need to make a commitment during this time to organize, transport, set-up and facilitate our display area. Once again, we are excited to be able to participate in the IAFC Fire-Rescue International at the Dallas Convention Center.

In addition, our new board will be actively involved with the initial planning of the 2011 SPAAMFAA Winter Conference. We anticipate many more participants along with additional restoration classes. Our board members are certainly up for this challenge as well.

All of our Texas Fire Museum members are encouraged to make a commitment to the museum by attending our monthly membership meetings / work days and becoming more involved. We have several upcoming events that require our membership involvement in order for these to be a success.

We extend our gratitude and thanks to our past TFM Director Blake Bullard for his service on the 2008 Texas Fire Museum Board of Directors. His contributions certainly were greatly appreciated.

President	Vice President	Secretary	Treasurer	Director-2 Yr.	Director-2 Yr.	Director-1 Yr.
Scott Simpson	David Miller	Lindsay Dye	Susan Miller	Gary Brown	Bill Maddox	Butch Plumb
