SPOTLIGHT

2008 TFM Election

On January 19, 2008, Texas Fire Museum conducted its Annual Meeting and election of board members. The new Board of Directors for 2008 is President Scott Simpson, Vice President David Miller, Secretary Lindsay Dye, Director Bill Maddox, Director Garry Sande and Director Butch Plumb. The office of Treasurer is open as no one offered to serve in that office at this time. Until a new Treasurer is appointed by the President, Secretary Lindsay Dye and President Scott Simpson will handle these duties. Our new board members will be the ones to guide the organization for the coming year, and with the 2008 SPAAMFAA Winter Conference behind us, they are now poised to face the additional challenges in our growing organization. These individuals will certainly welcome the support from our membership, and everyone is encouraged to attend our monthly membership meeting / work day and become involved. Some of our goals to accomplish this year will include: an increase of the apparatus storage fees, amendment changes to our Corporate By-laws, disposal of several TFM owned apparatus and improving the facility security.

Thanks go out to Gary Brown, Jeff Jones, Jon Leigh and David Rounsley for serving on the 2007 Texas Fire Museum Board of Directors. Their contributions certainly were needed and greatly appreciated.
