## North Texas Annual Fire Apparatus Muster

The North Texas Historical Fire Society / Texas Fire Museum hosted its 14th Annual Fire Apparatus Muster on Saturday, May 7th at Fish Trap Park. This muster was one of our largest with 25 apparatus and over sixty people in attendance. Out-of-state visitors included a group of our friends from the Central Illinois SPAAMFAA Chapter, Bill and Donna Forman, and Steve and Paul Franetovich from Oklahoma, and TFM member Jack Reeves from California. Visitors from other Texas SPAAMFAA Chapters included Chuck and Marla Buschardt from the Gulf Coast Chapter in Houston and David and Earl Crim from the East Texas Chapter in Tyler. Also attending the muster was Dallas Fire Rescue Assistant Chief Roland Gamez and DFR Engine Company 16.
