## TFM Attends ETHFS 21st Annual Muster

The fourth Saturday in October is the weekend that the East Texas Historical Fire Society hosts their annual fire engine muster. On Saturday, October 28, the ETHFS 21st Annual Muster was held in Tyler, Texas. Several Texas Fire Museum members attended this event once again. Participants included members from the Texas Gulf Coast (Houston) and North Texas (Dallas) Chapters of SPAAMFAA. Also in attendance were members of the Signal 51 fire buff group from Shreveport, LA. This year, our TFM members brought a total of five apparatus.

Four rigs had never been in attendance at this annual event. These included a 1931 Ahrens-Fox, 1926 Model T "Chief's Buggy", 1956 Maxim and a 1961 Ameri-

TFM Members Garry Sande and Keith Kelly brought their rigs to the annual Tyler Muster. At left is Keith's aerial and Garry's engine.

can LaFrance aerial. Special thanks to TFM members Earl Crim, John Fuston, Rich Hardin, Keith Kelly, Jim Lauden, Paul Martin, David Miller, Garry Sande, Scott Simpson and Charlie Womack for their attendance. This by far was one of the best events ever hosted by the ETHFS Tyler Chapter.

**Meeting Notice:** The Texas Fire Museum & North Texas Historical Fire Society will be conducting our annual business meeting on the third Saturday of each month beginning at: **9:00 AM**. Our work session will follow.

Lunch will be served around 12:00 noon.
