# SPOTLIGHT

## TFM Assists Exchange Club

On Monday, September 5, TFM President Scott Simpson assisted the Exchange Club of Garland. This non-profit organization led by our TFM insurance agent and President Don Tinius, distributed hundreds of United States flags to spectators during the City of Garland's Annual Labor Day Parade. This year Scott's 1962 B85 Mack lead the parade directly behind the color guard. Garland Fire Department Captain Jeff Tokar followed driving the department's 4-wheeled scooter distributing flags and bringing up the rest of the parade participants including their new 75' aerial platform Q1.

The Texas Fire Museum routinely provides antique fire apparatus for many non-profit organizations. We are certainly blessed to assist the

Exchange Club of Garland, Texas, with their worthy endeavors again this year.
